Was from the South Sea Islands and There Was Character

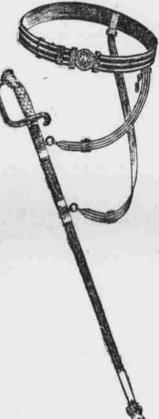

Rather an amusing incident was connected with the return to San Francisco, en route to Washington, of Justice W. L. Chambers, who has been for a number of years chief justice of Samoa. The judge is a well-educated and highly cultivated Alabaman, with that polish of that rara avis, the Southern gentleman of the best type. In an interview, published at Honolulu on his way up, the chief justice was so scriously misrepresented in his alleged statements regarding Samoan matters that he took the wise precaution in San Francisco of writing out his views on the more ticklish matters concerning which he was interviewed. Lake most gentlemen, Judge Chambers penmanship would never be taken as a model in a district school. A printer on a morning paper to whom it was given to set up was in despair. "Look here," he said, "this is positively "Look here," he said, "this is positively

paper to whom it was given to set up was in despair.

"Look here," he said, "this is positively the worst writing I ever was up against!"
"But that was written by the chief justice of Samoa, man. Look how much character there is in the writing."
"Chief justice of Samoa!" snorted the compositor. "That accounts for it. There is haracter in his hand. I might have known he was a South Sea islander. I could smell panibal in the ink!"—San Francisco News Letter.

NATION'S GREETING TO DEWEY.

The central idea underlying the grand The central idea underlying the grand welcome to be given Admiral Dewey in Washington the first weak in October is its national character.
